

a huge lake surrounded by the lush greenery

A huge lake surrounded (capital A)

Let's just say as a person who lives in the forest of magic is much more well versed in the forest than the one who just lives

Let's just say a person who lives-

Marisa closed her mouth, as it was previously open agape to amazement. She quickly went and helped her friend to set up the

As it was previously agape of amazement

some of them replace the one I stole,

Some of them replace the ones I stole

I still haven't craft the deck of cards

I still haven't crafted the deck of cards

Where are you gonna try it on?

What are you gonna try it on?
